47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need the Bridge 2 Broadband. Ive been a long time customer of an ISP that has provided quality, consistent DSL service at a competitive price. You restrict these ISPs that arent at&t and youre shafting the consumer! Its a return to the days of telephone monopolies! I will not return to at&t, no matter what. Ill give up on the Internet first. Survived the first half of my life without.
